MEMORANDUM FOR: [] Assistant to the Director

25X1A

SUBJECT : Senator Gore's Inquiry []

25X1C

1. As of this writing the Director has not had an opportunity to review Larry Houston's memorandum, copy of which is attached, recommending that Senator Gore be given a full briefing on []. Assuming that he concurs, we feel that General Cabell should make this presentation and might want to refresh his memory regarding the problem. To that end I attach:

25X1C

a. Copies of the correspondence between the State Department and Senator Gore.

b. Draft of letter to Senator Gore, answering his specific questions. This would be for State signature and would be given to the Senator after he was fully briefed and only in case he wanted to have some overt material in his files to close out the correspondence. Larry tells me that all of the information contained in this letter would be available to the [] and is unclassified.

25X1A

c. For background information the minutes regarding [] of the OCB meeting of November 2, 1955.

25X1C

2. As Senator Gore will not return to Washington until about the middle of the month, there is no hurry about arranging the briefing.
